

ChemArt has helped countless non-profit organizations develop custom annuity programs that are used to:

- Generate revenue
- Increase donations from existing donors and bring in new donors
- Raise awareness and increase exposure to your cause
- Commemorate a special event or anniversary
- Recognize and thank donors, employees and volunteers

The Humane Society of the United States

"We've been happy with ChemArt's production of our animal advocacy holiday ornaments for five years and they have provided great customer service in our transactions. Our supporters love having a collectible animal ornament they can hang up every year and also enjoy giving them as gifts to friends and relatives. We look forward to continuing our relationship with ChemArt."

– Kristen Eastman  
The Humane Society of the United States.

National Autism Association

"ChemArt has created a custom holiday ornament for our organization for the last four years. Working with the team at ChemArt is always a wonderful experience. From customer service and design, to outstanding quality production and delivery – they do an exceptional job at turning our ideas into beautiful and meaningful gifts."

– Wendy Fournier, President,  
National Autism Association

## HOW DO I BEGIN?

- Contact a ChemArt Account Executive to discuss creating your own unique keepsake.
- We will take the time to listen and learn what is important to you.
- Our art department will then design your custom collectible, highlighting your organization and mission.
- Lastly, once you approve the design, we will help you understand how to get the most out of your program through proven marketing techniques used by successful clients.

## WHY CHEMART?

- We offer support and guidance throughout the entire process.
- We believe in building partnerships with our clients based on trust, hard work and commitment to your success.
- We offer competitive pricing, quantity breaks, low minimums, short lead times, high quality and packaging to fit your needs.
- Our products are proudly made 100% in the USA.
